RE:Mid Year Report (01/01/2015-60/30/2015)

Dear Mr. Baisden,

Thank you for taking the time to speak to me today regarding American's Liberty PAC ("ALPAC") and your August 27th, 2015

Request for Additional Information regarding two descriptions of disbursements in ALPAC's Mid-Year report (01/01/15-06/30/15).

With regard to your first request, ALPAC is filing our amended report to further clarify the previous descriptions of "Prof. Services: General Consulting" to further clarify the type of consulting services provided by the vendor.

ALPAC is also amending its Mid-Year report to change the description of "Media Buy" to Digital Marketing/Social Media" as we discussed. Also as we discussed, the related disbursements were not independent expenditures, they were for increasing readership on ALPAC's Facebook account. These disbursements did not relate to any expenditures that advocated for or against any specific candidate and therefore would not be considered independent expenditures.

I expect the amended report to be filed later today or tomorrow. Once again, thank you for taking the time to speak with me and should you have any further questions, please call me at your earlier convenience.

Sincerely,

David A. Warrington
